

Put idle stocks to rich uses!

Do you know your stock can bring you money even if the stock market is down! Now you can lend your stocks so that they keep bringing in loads of money for you. Sushil Financial Services Private Limited, as an Authorised Intermediary (AI) offers 'Securities Lending & Borrowing Scheme' (SLBS) services wherein you can lend your stocks through the exchange mechanism, allowing you to earn out of it without ever having to sell them. Still waiting to decide?

Salient Features of SLBS

- Automated screen based trading platform with online matching of trades based on price-time priority
- 1 to 12 months lending and borrowing tenure
- Facility for placing early recall request
- Simple and easy to understand stock exchange process with full safety
- Sushil's expert team ensures best available returns on your idle stocks
