Accordingly, the disclosures as required as per paragraphs (viii) to the Schedule I of the Buyback Regulations are not applicable.

The Buyback will not result in any benefit to Promoters, Promoter group and person(s) in control or any directors of the Company except to the extent of the change in their shareholding as per the response received in the Buyback, as a result of the extinguishment of Equity Shares which will lead to reduction in the Equity Share capital of the Company post Buyback and consequent increase in shareholding of Promoters, Promoter group and person(s) in control.

7. AUTHORITY FOR THE BUYBACK

7.1 The Buyback is in accordance with Article 23 of the Articles of Association of the Company and Sections 68, 69, 70 and all other applicable provisions, if any, of the Act, and rules framed thereunder, including the Share Capital Rules, the Management Rules, the LODR Regulations to the extent applicable, Buyback Regulations read with SEBI Circulars, subject to such other approvals, permissions, consents, exemptions and sanctions, as may be necessary and subject to any modifications and conditions, if any, as may be prescribed by SEBI, ROC, BSE, NSE and/ or other authorities, institutions or bodies, as may be necessary and subject to such conditions and modifications as may be prescribed or imposed while granting such approvals, permissions, sanctions and exemptions, which may be agreed by the Board.

7.2 The Board of Directors of the Company, at its meeting held on 23 April 2026, approved the proposal for buyback of the Equity Shares of the Company and, pursuant thereto, sought the approval of the Shareholders by way of a special resolution through the Postal Ballot Notice dated 23 April 2026. The Shareholders thereafter accorded their approval to the Buyback by passing a special resolution through postal ballot, the results whereof were declared on 10 June 2026.

8. NECESSITY / OBJECTIVE OF THE BUYBACK

8.1 The Company has cash liquidity reflected in the last audited standalone financial statements and audited consolidated financial statements as on 31 March 2026. The Board has evaluated, inter alia, the Company's audited financial statements, available free reserves, cash and investments, and expected cash flows, and has considered various internal and financial parameters, including but not limited to:

- anticipated cash requirements towards working capital, capital expenditure, technology and infrastructure;
- investments required for execution of the Company's growth strategy;
- potential inorganic opportunities, including acquisitions;
- the need to maintain adequate liquidity for contingencies and unforeseen events; and

- overall financial flexibility to support business operations and future growth.

8.2 The Company presently has surplus cash of up to INR 9,408 Mn (Indian Rupees Nine Thousand Four Hundred and Eight Million only) on standalone basis.

8.3 The Buyback is being undertaken for the following reasons:

- (i) The Buyback will help the Company to return surplus cash to its equity shareholders in proportion to their shareholding, thereby enhancing the overall return to Shareholders;
- (ii) The Buyback, proposed through the Tender Offer route as prescribed under the Buyback Regulations, would involve allocation of number of equity shares to the small shareholders as per their entitlement or 15% of the number of equity shares to be bought back whichever is higher, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as “small shareholder” as per Regulation 2(i)(n) of the Buyback Regulations;
- (iii) The Buyback may help in improving its earning per share and return on equity, by reduction in the equity base and based on assumption that the Company would earn similar profits as in past, thereby leading to long term increase in Shareholders’ value; and
- (iv) The Buyback gives the Equity Shareholders an option to either: (a) participate and get cash in lieu of Equity Shares to be accepted under the Buyback offer, or (b) not to participate and enjoy a resultant increase in their percentage shareholding, post the Buyback Offer, without additional investment.

The Buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations.

The Buyback is proposed to be funded out of the Company's internal accruals. This Buyback is not likely to have any material impact on the earnings of the Company. The only impact may be a temporary reduction in the treasury income that the Company could otherwise have earned on the funds utilised for the Buyback until such funds, as may be determined, are distributed to Eligible Shareholders.

9. MAXIMUM NUMBER OF EQUITY SHARES THAT THE COMPANY PROPOSES TO BUYBACK

9.1 The maximum number of Equity Shares at the Buyback Price and the Buyback Offer Size bought back would be 64,00,000 (Sixty Four lakhs) fully paid-up Equity Shares, comprising upto 5.76% of the existing fully paid-up equity share capital of the Company as of 31 March 2026. The maximum amount required for Buyback will not exceed INR 720,00,00,000 (Indian Rupees Seven Hundred Twenty Crores only) (excluding Transaction Costs).

10. MAXIMUM AMOUNT REQUIRED UNDER THE BUYBACK

10.1 The amount of funds required for the Buyback will aggregate to INR 720,00,00,000 (Indian Rupees Seven Hundred Twenty Crores only) being 20.31% and 14.09% of the aggregate of the paid-up share capital and free reserves of the Company, as at 31 March 2026, on a standalone and consolidated basis, respectively, which is less than 25% of the aggregate of the paid-up share capital and free reserves of the Company based on the latest audited financial statements of the Company as at 31 March 2026, on a standalone basis and consolidated basis, whichever is lower.

10.2 The Buyback Offer Size does not include any expenses or Transaction Costs incurred or to be incurred for the Buyback.

Borrowed funds from banks and financial institutions, if any, will not be used for the Buyback.

11. MANAGEMENT DISCUSSION AND ANALYSIS OF THE LIKELY IMPACT OF THE BUYBACK ON THE COMPANY

- 11.1 The Buyback is proposed to be funded out of the Company's internal accruals. This Buyback is not likely to have any material impact on the earnings of the Company. The only impact may be a temporary reduction in the treasury income that the Company could otherwise have earned on the funds utilised for the Buyback until such funds, as may be determined, are distributed to Eligible Shareholders. Assuming full acceptance to the Buyback, the funds deployed by the Company towards the Buyback would be up to INR 720,00,00,000 (Indian Rupees Seven Hundred Twenty Crores only), excluding Transaction Costs. The Buyback will enable the Company to return surplus cash to its equity shareholders in proportion to their shareholding, thereby enhancing overall shareholder returns, without impairing the Company's ability to pursue growth opportunities or meet its operational cash requirements and non-participating shareholders will continue to enjoy resultant increase in their percentage shareholding post the Buyback Offer without additional investment. The Buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations.
- 11.2 In terms of the Buyback Regulations, under the Tender Offer route, the Promoters, Promoter group and person(s) in control have an option to participate in the Buyback. In this regard, the Promoters, Promoter group and person(s) in control have expressed their intention to not participate in the Buyback vide their respective letters dated 21 April 2026 and 22 April 2026. Assuming participation in the Buyback is to the extent of 100% (full acceptance) from all the other Eligible Shareholders up to their Buyback Entitlement, the aggregate shareholding of the Promoters, Promoter group and person(s) in control after the completion of the Buyback shall increase to 24.70 % of the post- Buyback total paid-up Equity Share capital of the Company from 23.28% of the pre-Buyback total paid-up Equity Share capital of the Company (as on the date of the Letter of Offer), and the aggregate shareholding of the public in the Company shall change to 75.30% of the post- Buyback total paid-up Equity Share capital of the Company from 76.72% of the pre-Buyback total paid-up Equity Share capital of the Company.
- 11.3 The Buyback is not expected to result in a change in control or otherwise affect the existing management structure of the Company.
- 11.4 Consequent to the Buyback and based on the number of Equity Shares bought back from the Non-Resident Shareholders, Indian financial institutions, banks, mutual funds and the public including other bodies corporate, the shareholding of each such person will undergo a change. The FIIs/FPIs are advised to ensure that their investment in the Company continues to be within the limit prescribed under applicable laws, post completion of the Buyback.
- 11.5 The Company believes that the Buyback will not impact the growth opportunities of the Company.
- 11.6 The Buyback is expected to improve return on equity through distribution of cash and improve earnings per share by reduction in the equity base in the long term, thereby leading to long term increase in members' value.

22. PROCESS AND METHODOLOGY FOR THE BUYBACK

- 22.1 Pursuant to Article 23 of the Articles of Association of the Company, Sections 68, 69 and 70 and other applicable provisions, if any, of the Act, the relevant rules framed thereunder including the Share Capital Rules, to the extent applicable, and the Buyback Regulations, the Company proposes to Buyback Equity Shares for an amount of INR 720,00,00,000 (Indian Rupees Seven Hundred Twenty Crores only) at a price of INR 1,125 (Indian Rupees One Thousand One Hundred Twenty Five only) per Equity Share, comprising of a purchase of up to 64,00,000 fully paid-up equity shares of face value of INR 5 (Indian Rupee Five) each representing 20.31% and 14.09% of the aggregate of the paid-up share capital and free reserves of the Company based on the latest audited financial statements of the Company as at 31 March 2026 on standalone and consolidated basis, respectively. The Equity Shareholders of the Company approved the Buyback by way of a special resolution through postal ballot, the results of which were announced on 10 June 2026. This Buyback is further subject to approvals, permissions and sanctions as may be necessary, from time to time from government, regulatory, statutory or relevant authority as required under applicable laws, including but not limited from RBI, SEBI and/or the Indian Stock Exchanges
- 22.2 The Buyback is open to all Eligible and beneficial owners of the Company holding Equity Shares either in physical or electronic form, as on the Record Date.
- 22.3 The Company expresses no opinion as to whether Eligible Shareholders should participate in the Buyback and, accordingly, Eligible Shareholders are advised to consult their own advisors to consider participation in the Buyback.
- 22.4 The aggregate shareholding of the Promoters, Promoter group and person(s) in control as at the date of the Public Announcement and this Letter of Offer is 2,58,70,288 Equity Shares which represents 23.28% of the existing equity share capital of the Company. In terms of the Buyback Regulations, under the Tender Offer route, the Promoters, Promoter Group and person(s) in control have an option to participate in the Buyback. In this regard, the Promoters, Promoter group and person(s) in control have expressed their intention to not participate in the Buyback vide their letters dated 21 April 2026 and 22 April 2026, respectively.
- 22.5 Assuming participation in the Buyback is to the extent of 100% (full acceptance) from all the other Eligible Shareholders up to their Buyback Entitlement, the aggregate shareholding of the Promoters, members of the Promoter group and person(s) in control after the completion of the Buyback shall increase to 24.70 % of the post- Buyback total paid-up Equity Share capital of the Company from 23.28% of the pre-Buyback total paid-up Equity Share capital of the Company (as on the date of the Public Announcement).
- 22.6 **Record Date and Ratio of Buyback as per the Buyback Entitlement in each Category:**
- 22.7 The Company has fixed 17 June 2026, as the Record Date for the purpose of determining the Buyback Entitlement and the names of the Equity Shareholders, who are eligible to participate in the Buyback.
- 22.8 The Equity Shares to be bought back pursuant to the Buyback are divided into 2 (two) categories:
- i. Reserved category for Small Shareholders (**Reserved Category**); and
 - ii. General category for all other Eligible Shareholders (**General Category**).
- 22.9 As defined in the Buyback Regulations, a “Small Shareholder” is an Eligible Shareholder who holds Equity Shares having market value, on the basis of closing price on Indian Stock Exchanges, on which the highest trading volume in respect of the Equity Shares on the Record Date was recorded, of not more than INR 2,00,000 (Indian Rupees Two Lakh

only). As on the Record Date, the volume of Equity Shares traded on BSE was 75,511 Equity Shares and on NSE was 15,32,390 Equity Shares. Accordingly, NSE being the stock exchange with highest trading volume, the closing price was INR 876.15 and hence all Eligible Shareholders holding not more than 228 Equity Shares as on the Record Date are classified as ‘Small Shareholders’ for the purpose of the Buyback.

- 22.10 Based on the aforementioned definition, there are 2,49,526 Small Shareholders of the Company with an aggregate shareholding of 90,86,298 Equity Shares as on the Record Date, which constitutes 8.18 % of the outstanding number of equity shares of the Company and 141.97% of the maximum number of Equity Shares which are proposed to be bought back as part of this Buyback.
- 22.11 In accordance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders will be the higher of:
- Fifteen percent (15%) of the number of Equity Shares which the Company proposes to buy back i.e.15% of 64,00,000 (Sixty four lakhs) Equity Shares which is 9,60,000 Equity Shares; or
 - The number of Equity Shares entitled as per their shareholding as on the Record Date (i.e. $[90,86,298 / (11,11,41,804 - 2,58,70,288) \times 6400000]$ is 6,81,967 Equity Shares.
- 22.12 Since the Promoters, Promoter Group and and person(s) in control of the Company have declared their intention to not participate in the Buyback, Equity Shares held by them have not been considered for the purposes of computing the entitlement ratio.
- 22.13 Based on the above analysis and in accordance with Regulation 6 of the Buyback Regulations, 9,60,000 Equity Shares have been reserved for the Small Shareholders (**Reserved Portion**) and accordingly, the General Category for all other Eligible Shareholders shall consist of 54,40,000 Equity Shares (**General Portion**).
- 22.14 Based on the above Buyback Entitlements, the ratio of Buyback for both categories is set out below:

Category of Eligible Shareholder	Ratio of Buyback (i.e. Buyback Entitlement)
Reserved category for Small Shareholders	2 Equity Shares for every 19 Equity Share held on the Record Date
General category for all other Eligible Shareholders	1 Equity Shares for every 14 Equity Share held on the Record Date

Note: The above ratio of Buyback is approximate and providing indicative Buyback Entitlement. Any computation of entitled Equity Shares using the above ratio of Buyback may provide a slightly different number due to rounding-off. The actual Buyback Entitlement for Reserved Category for Small Shareholders is 10.5653589613724% and General Category for all other Eligible Shareholders is 7.14049279218444%. Also, the numbers arrived at using the actual Buyback Entitlement may not conform exactly to the Buyback Entitlement printed in the Tender Form due to rounding-off of the factor.

Fractional Entitlements

- 22.15 If the Buyback Entitlement under the Buyback, after applying the abovementioned ratios to the Equity Shares held on Record Date is not in the multiple of 1 (One) Equity Share, then the fractional entitlement shall be ignored for computation of Buyback Entitlement to tender Equity Shares in the Buyback for both categories of Eligible Shareholders.
- 22.16 On account of ignoring the fractional entitlement, those Small Shareholders who hold 9 (Nine) or less Equity Shares as on Record Date will be dispatched a Tender Form with zero entitlement. Such Small Shareholders may tender Additional Equity Shares as part of the Buyback and will be given preference in the Acceptance of one Equity Share, if such Small

Shareholders have tendered Additional Equity Shares. The Company shall make best efforts subject to Buyback Regulations in accepting Equity Shares tendered by such Eligible Shareholders to the extent possible and permissible.

Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders

22.17 Subject to the provisions contained in this Letter of Offer, the Company will accept the Equity Shares tendered in the Buyback by the Small Shareholders in the Reserved Category in the following order of priority:

22.17.1 Acceptance of 100% Equity Shares from Small Shareholders in the Reserved Category, who have validly tendered their Equity Shares to the extent of their Buyback Entitlement or the number of Equity Shares tendered by them, whichever is less.

22.17.2 After the Acceptance as described in Paragraph 22.17.1 above, in case there are any Equity Shares left to be bought back from Small Shareholders in the Reserved Category, the Small Shareholders who were entitled to tender zero Equity Shares (on account of fractional entitlement), and have tendered Additional Equity Shares as part of the Buyback, shall be given preference and one Equity Share each from such Additional Equity Shares shall be bought back in the Reserved Category.

22.17.3 After the Acceptance as described in Paragraph 22.17.1 and 22.17.2 above, in case there are any Equity Shares left to be bought back in the Reserved Category, the Additional Equity Shares tendered by the Small Shareholders over and above their Buyback Entitlement, shall be accepted in proportion of the Additional Equity Shares tendered by them and the Acceptance per Small Shareholder shall be made in accordance with the Buyback Regulations. Valid Acceptances per Small Shareholder shall be equal to the Additional Equity Shares validly tendered by the Small Shareholder divided by the total Additional Equity Shares validly tendered and multiplied by the total pending number of Equity Shares to be accepted in Reserved Category. For the purpose of this calculation, the Additional Equity Shares taken into account for such Small Shareholders, from whom one Equity Share has been Accepted in accordance with the Paragraph 22.17.2, shall be reduced by one.

Adjustment for fractional results in case of proportionate Acceptance, as described above:

22.18 For any Small Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not a multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer. For any Small Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

22.19 In case of any practical issues, resulting out of rounding-off of Equity Shares or otherwise, the Buyback Committee or any person(s) authorized by the Buyback Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in Section 22 of this Letter of Offer.

Basis of Acceptance of Equity Shares validly tendered in the General Category

22.20 Subject to the provisions contained in this Letter of Offer, the Company will accept the Equity Shares tendered in the Buyback by all other Eligible Shareholders in the General Category in the following order of priority:

22.20.1 Acceptance of 100% Equity Shares from other Eligible Shareholders in the General Category who have validly tendered their Equity Shares, to the extent of their Buyback Entitlement, or the number of Equity Shares tendered by them, whichever is less.

22.20.2 After the Acceptance as described in Paragraph 22.20.1 above, in case there are any Equity Shares left to be bought back in the General Category, the Additional Equity Shares tendered by the other Eligible Shareholders over and above their Buyback Entitlement shall be Accepted in proportion of the Additional Equity Shares tendered by them and the acceptances per shareholder shall be made in accordance with the Buyback

Regulations, i.e. valid acceptances per shareholder shall be equal to the Additional Equity Shares validly tendered by the Eligible Shareholders divided by the total Additional Equity Shares validly tendered in the General Category and multiplied by the total pending number of Equity Shares to be Accepted in General Category.

Adjustment for fractional results in case of proportionate acceptance as described above:

- 22.21 For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer. For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

Basis of Acceptance of Equity Shares between categories

- 22.22 In case there are any Equity Shares left to be bought back in one category (**Partially Filled Category**) after Acceptance in accordance with the above described methodology for both the categories, and there are additional unaccepted validly tendered Equity Shares in the second category (**Over Tendered Category**), then the further Additional Equity Shares in the Over Tendered Category shall be Accepted proportionately (i.e., valid Acceptances per Eligible Shareholder shall be equal to the additional outstanding Equity Shares validly tendered by an Eligible Shareholder in the Over Tendered Category divided by the total additional outstanding Equity Shares validly tendered in the Over Tendered Category and multiplied by the total pending number of Equity Shares to be bought back in the Partially Filled Category).
- 22.23 If the Partially Filled Category is the General Category, and the Over Tendered Category is the Reserved Category for Small Shareholders, then any Small Shareholder, for the purpose of this calculation, the Additional Equity Shares tendered by such Small Shareholders, from whom one Equity Share has been Accepted in accordance with “*Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders*” shall be reduced by one Equity Share and shall be eligible for priority acceptance of one Equity Share before Acceptance in paragraph 22.22 out of the Equity Shares left to be bought back in the Partially Filled Category, provided no Acceptance could take place from such shareholder in accordance with paragraph 22.17.
- 22.24 A Small Shareholder who has received a Tender Form with zero Buyback Entitlement and who has tendered Additional Shares shall be eligible for priority Acceptance of one Equity Share before Acceptance, as mentioned above, out of the Equity Shares left to be bought back in the General Category, provided no Acceptance could take place from such Small Shareholder in accordance with the section entitled “Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders”.
- 22.25 **Adjustment for fraction results in case of proportionate Acceptance, as described in paragraph 22.22 above:**

22.25.1 For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer. For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

Clubbing of Entitlement

- 22.26 In order to ensure that the same Eligible Shareholder(s) with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical and where the PANs of all joint shareholders are not available, the Registrar will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the name of joint shareholders are identical. In case of physical shareholders, where the sequence of PANs

is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds/trusts and insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar and Transfer Agent as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of “clearing members” or “corporate body margin account” or “corporate body –broker” as per the beneficial position data as on the Record Date, with common PAN, are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

NOTE ON TAXATION OF BUY BACK OF LISTED EQUITY SHARES

GENERAL

The Indian tax year runs from April 1 to March 31 of subsequent year. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. A person who is a tax resident of India is liable to taxation in India on his worldwide income, subject to certain prescribed tax exemptions provided under the Income Tax Act, 2025 ("the Act").

A person who is treated as a non-resident for Indian tax purposes is generally liable to tax in India only on his / her Indian sourced income or income received by such person in India.

In case of shares of a company, the source of income from shares would depend on the "situs" of the shares. As per the Act and judicial precedents, generally the "situs" of the shares is where company is "incorporated" and where its shares can be transferred. Accordingly, since the Company is incorporated in India, the shares of the Company would be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the Act subject to any specific exemption in this regard. Further, the non-resident can avail the beneficial tax treatment prescribed under the Double Taxation Avoidance Agreement ("**DTAA**"), as modified by the Multilateral Instrument ("**MLI**"), if the same is applicable to the relevant DTAA between India and the respective country of which the said shareholder is tax resident. The above benefit may be available subject to satisfying relevant conditions prescribed under the Act including but not limited to availability of Tax Residency Certificate, non-applicability of General Anti-Avoidance Rule ("**GAAR**") and providing and maintaining necessary information and documents as prescribed under the Act as well as satisfying the relevant conditions under the respective DTAA including anti-abuse measures under the MLI, if applicable. The Act also provides for different income-tax rates applicable to the income arising from the buyback of shares, based on the residential status, classification of the shareholder, nature of the income earned, etc. The summary of income tax implications on buyback of listed equity shares on the recognized stock exchange in India is set out below. All references to equity shares herein refer to listed equity shares unless stated otherwise.
